Ventura is a ship where something is always happening. She's the ideal backdrop in which to enjoy your holiday. A holiday full of 'this is the life' moments. Our aim is to help you create as many of those as possible, whatever you get up to.

On board for relaxation? We've got hundreds of ways to entertain you. Feeling cultural? Visit our amazing theatre and show lounges for cabaret, tributes, comedy and dancing. Feeling sporty? Try our gym, sports court or four pools. Feeling in need of pampering? Head straight to our Oasis Spa. On board for exploration? If you haven't already booked your trips ashore, head to our Shore Experiences desk and we'll help you devise ways to immerse yourself in each amazing destination.

On board for culinary delight? Whatever your mood, whatever your taste buds dictate, Ventura has eateries to suit. In addition to our three main restaurants, our Select Dining venues include Sindhu at East and The Glass House, a wine bar and restaurant created in partnership with award-winning wine guru Olly Smith. Bon appétit.

On board to do nothing at all? Put your feet up and let us bring the world to you.

Introducing your Captain...

Captain Patrick Maguire

Captain Patrick Maguire was raised in a small harbour village called Courtmacsherry on the South coast of Ireland. Spending most of his free time as a young boy down on the waterfront, he grew to love the sea and all things associated with it. From an early age, having watched numerous ships sail past the headlands along the jagged south coast and hearing the local men talk of foreign ports of call, he realised that his calling was to work at sea. Being from a fishing village, the RNLI played a huge role in the lives of many and at 16, he became a volunteer with the RNLI. This experience steered him on to study Nautical Science at Cork Institute of Technology in 1993.

Teekay Shipping, a very large tanker company based in Vancouver, sponsored Captain Maguire as a Deck Cadet. Having qualified in 1997, he then worked for P&O Ferries before getting itchy feet to travel the world, so joined BP Shipping and spent a few years looking at Oil terminals! In 2000, he joined P&O Cruises and qualified as a Master Mariner in 2004. Since then, he has worked with Princess Cruises, Cunard and Disney Cruise Line. Captain Maguire's first command was Aurora in 2016 and since then he has been master of Oriana and Ventura. Captain Maguire currently resides on the outskirts of Toronto where he lives with his Canadian wife Ashley and two young sons Nicholas and Olin. When not chasing after his family, Captain Maguire likes to try his hand at DIY, keeping active and watching sports.

Shipboard Services

Medical Centre

Please dial 8880 to make an appointment. The appointment line is available from 7.30am-9.00am and 3.30pm-5.00pm. For any medical emergency, please dial 999.

Shipboard Information

Muster Station Familiarisation

It is a maritime safety requirement that all guests attend their muster station for familiarisation purposes. Please visit your muster station if you have not already done so, where your boarding pass will be scanned to record your attendance. Your allocated muster station is indicated on the back of your cabin door and on your cruise card. There is no need to take your life jacket with you. We ask that all guests watch the life jacket demonstration and P&O Cruises Safety video on your cabin television.

General Emergency Broadcast

At approximately 5.00pm, the Captain will make a broadcast and alarm bells will be sounded for familiarisation purposes only. If you have attended your muster station to familiarise yourself throughout the day no action is required. During this exercise all guest services will be paused.

Mask Wearing

Whilst we highly recommend that guests wear masks on board, they are only required when you visit the Arena Theatre or the Medical Centre. Please note at this time it is not permitted to bring food or drink into the Arena Theatre. Your mask should cover your nose and mouth and be of good quality (ideally medical grade). Re-usable masks should be washed regularly. Visors and face shields aren't accepted as a substitute for a face mask. Off the ship, masks are required for embarkation and disembarkation. Some destinations may also require you to wear masks when ashore and we recommend taking one with you, whenever you disembark the ship. Please refer to the 'Going Ashore' section of your Horizon paper for any days in port, for all necessary information.

Smoking & Vaping On Board

Smoking & Vaping is not allowed in cabins, on cabin balconies or in public rooms. There are dedicated areas on the open deck where you will find fixed ashtrays at dedicated signs available on Deck 7 Starboard side midship to aft, Laguna Bar (Deck 15) Midship, starboard side and the Breakers Bar (Deck 16) Forward, Starboard Side.

On-Board Account

For your convenience, all of our ships operate a 'cash free' environment with everything priced in Pound Sterling. To make any purchases on board you just need to present your cruise card. Our ships do not accept cash, except at Reception for the settlement of your account. In order for the charges to be posted on to your account you will need to register your credit card or Visa/Master Card Debit card. We cannot accept any prepaid cash/credit cards so if this has inadvertently been registered please contact Reception (Deck 6) Midship, so it can be rectified. Don't forget you can view your account using My Holiday.

Deck 17 Midship Closure

Due to enhanced health protocols on board, we have to close the open deck area on Deck 17 Midship, above Breakers bar. This closure is to ensure that the Ship's Company have access to an outside area. We thank you for your understanding in this important wellbeing matter.
