Shipboard Information

Muster Station Familiarisation

It is a maritime safety requirement that all guests attend their muster station for familiarisation purposes. Please visit your muster station if you have not already done so where your boarding pass will be scanned to record your attendance. Your allocated muster station is indicated on the back of your cabin door and on your cruise card. There is no need to take your life jacket with you. We ask that all guests watch the life jacket demonstration and P&O Cruises safety video on your cabin TV.

General Emergency Broadcast

At approximately 5.00pm, the Captain will make a broadcast and alarm bells will be sounded for familiarisation purposes only. If you attended your muster station to familiarise yourself throughout the day no action is required. However, we do ask that you listen to this important safety announcement. During this exercise all guest services will be paused.

Wearing Of Face Masks

Whilst we highly recommend that guests wear masks on board, they are only required if you visit the medical centre. There are no medical exemptions and your mask must cover your nose and mouth and be of a good quality (ideally medical grade). Destinations may also require you to wear a mask when ashore.

Smoking And Vaping On Board

Smoking and vaping is not allowed in cabins, on cabin balconies or in public rooms. There are dedicated areas on the open deck where you will find fixed ashtrays at dedicated signs available on: Deck 18 Aft port side and Deck 18 Forward port side for smoking and vaping.

On-Board Account

For your convenience all of our ships operate a 'cash-free' environment with everything priced in Pound Sterling. To make any purchases on board you just need to present your cruise card. Our ships do not accept cash, except at Reception for the settlement of your account. In order for the charges to be posted on to your account you will need to register your credit card or Visa/Master Card Debit card. We cannot accept any prepaid cash/credit cards so if this has inadvertently been registered please contact Reception (Deck 7) Midship, so it can be rectified. Don't forget you can view your account on your cabin TV or by using My Holiday.

Travelling As A Family

For everyone's safety and enjoyment, guests under the age of 18 are not able to use the Casino, The Retreat, The 710 Club or The Limelight Club (after 6.00pm). When enjoying all other bars, we ask that guests under 16 are accompanied by a parent or guardian, and that guests under 13 are accompanied in all main venues.

Casino Regulations

Guests are reminded that according to current UK legislation persons under the age of 18 are not permitted to gamble or be present on the Casino floor. Casino area may be used as a walkthrough. Proof of age may be required. Guests who prefer not to participate in Casino gaming may register with the Casino Manager or Casino Cashier.

Drinking Water

The water from your bathroom taps is safe to drink although the taste may not be quite the same as you are used to at home. Should you wish to drink bottled or canned water during your stay, this can be purchased through Room Service or at any of our bars on board. Iona also has a number of water refill points located around the ship for you to refill your own water bottles.
