Going on a Shore Experience?

Guests on tours today are kindly requested to make their own way ashore using the gangways, located as advised in the arrival broadcast, and meet in the coach dispatch area located on the ground floor of the terminal building **10 minutes** before the departure time of your tour. Please allow 5 minutes to walk through terminal. There will be staff in place at the bottom of the escalators for any directional queries.

Local guides will be present in the dispatch area to collect your shore excursion ticket and will issue you with a sticker for your tour group. Covid Restrictions Whilst in Amsterdam

All fully vaccinated guests can go ashore independently today without the need for a Covid test. Please ensure that you take your NHS Vaccine Certificate with you.

Masks must be worn when using any method of transport or transport terminals including the cruise terminal, inside commercial buildings and medical centres.

Masks are required for embarkation and disembarkation and should also be worn when social distancing cannot be maintained.

Ship's Security Notice

In order to prevent unauthorised persons boarding Ventura, you are required to carry your 'Cruise Card' with you when going ashore. You will be asked to produce this at the gangway when you leave and return to Ventura. It may be prudent you also have government issued photo ID with you as you may be required to show this at security checkpoints upon your return. Be aware that we have established a secure area around Ventura and our security procedures require that you must be prepared to show your cruise card when entering this area, in addition to showing it to the security staff at the gangway when leaving or boarding Ventura. We kindly ask you not to accept and bring on board any parcels or packages from strangers. Before boarding Ventura, you may also be asked by our security staff to open parcels or handbags which you are carrying. We are sure that you will appreciate that this security is in the best interest of all concerned.

Remembrance Day

Every year at 8.00pm on 4 May, the Dutch commemorate civilians and soldiers who have died in war situations and in peacekeeping missions, with two minutes of silence. We will join the Kingdom of the Netherlands in this commemoration by observing two minutes of silence tonight, at 8.00pm. Wreaths will be placed at the Dam Square in Amsterdam by the King and Queen and speeches will be held at this time. This pulls in a lot of people so the city will be crowded. Due to this, shops will close at 7.00pm but restaurants will be kept open.

Hand Washing

Hand washing is a simple and effective method of reducing the risk of contamination and helping to you healthy during your cruise. In addition, we ask you to make use of the alcohol hand gel throughout the ship.
