## Welcome on board Iona

Are you ready to see the world in widescreen?

This is where innovation meets exploration. Iona was our first Excel class ship designed to invite the outdoors in.

Gazing out from the stunning SkyDome, three-tier glass Grand Atrium or the brand-new Conservatory Mini-suite cabins, you're never far from a spectacular view of the ever-changing horizon.

Iona is one of two greenest members of our fleet, and was the first British cruise ship to be powered by liquefied natural gas (LNG).

She has a host of unique features including an on-board craft gin distillery, spectacular aerial shows and an Infinity Pool with breath-taking panoramas.

*Holidays as varied as you*

The ship's clocks will be put forward by one hour at 2.00am tomorrow morning (20 August) to GMT+2.

### Holiday Your Way With My Holiday

Our digital pocket planner is for dining reservations, booking entertainment, and viewing your account summary. Access to My Holiday is free using the ship's network. Introducing Your Captain...

### Captain Andrew Wolverson

Captain Wolverson began his career at sea as a cadet with P&O Cruises in 2000. Over the years, he has sailed around the world on a variety of vessels such as Aurora, Azura, Queen Mary 2 and Britannia. He reached the rank of Captain in 2019 by taking command of Britannia, before joining Iona in the shipyard later that year. The proudest moment of his career came when he was given command of Iona and he feels privileged to take our guests to some of the world's finest ports on this magnificent ship.
