MARKET CAFE

When travelling I love to try unique flavours and so I designed Market Café with this in mind. I've created a menu of all-day treats and you'll even find two exclusive ice creams I've developed with Jude's. So sit back, relax and try something unique (or one of your favourites). It's your time for a treat. *Eric Lanlard*

teapigs. £2.20 each

teapigs™ make a big thing about using quality real tea. The whole leaves, berries, herbs, flowers and spices in their 'tea temples' have been handled gently and with love, to maintain every drop of precious flavour.

everyday brew

Our signature blend and our equivalent to an everyday 'builder's brew' - a gutsy Assam, a mellow Ceylon and a powerful Rwandan tea.

darjeeling tea

The fanciest tea of them all - our first single estate tea from the Happy Valley estate in Darjeeling. A clean and refreshing taste.

mao feng green tea

The ultimate green tea, pure and unadulterated, just as it should be - even those who say they don't like green tea enjoy this!

earl grey strong

If you like your Earl Grey with oomph and wallop, this is definitely the one for you.

super fruit

A hibiscus tea base with real pieces of elderberries, cranberries, blackcurrants and blueberries, which deliver a punchy fruity taste.

peppermint leaves

This whole leaf peppermint tea is mintier and fresher than any teabag mint you will have tasted before.

lemon & ginger

This all natural gingery, lemon brew will sweep you away to a hot summery day. But also great for cold and flu season.
