What can I do with My Holiday?

View your on-board account

Keep track of your holiday spending. You can view any remaining on-board spending money you have as well as transactions and purchases made by all guests registered to your on-board account.

Dining – make a reservation

Is there a restaurant you're keen to experience? If you'd like to book a table in a venue that requires reservations, you can choose your preferred time for the current day or any other date during your holiday.

If you are allocated Club Dining, you can also make dining reservations or join a virtual queue for any speciality restaurants you would like to visit.

Dining – join a virtual queue

Relax with a drink and let My Holiday queue for you! For selected restaurants, you can join a virtual queue from your cabin, the bar or anywhere else on the ship. Some venues will also give you the option to share a table with other guests. By choosing to share a table, not only will you enjoy a more sociable dining experience, but you're likely to be seated more quickly at busy times. All you need to do is sit back, relax and we'll let you know when it's time to head to the venue.

Once you've joined a queue, you must keep the page open and remain on the Wi-Fi to receive notifications and keep your place in the queue.

Book a seat for a show

From original theatre shows to the latest Hollywood blockbusters in the cinema*, there's incredible entertainment on board. And with My Holiday, you'll have your pick of the bunch. It's easy to reserve your place and manage your bookings.

*Cinema bookings aren't required aboard Iona.

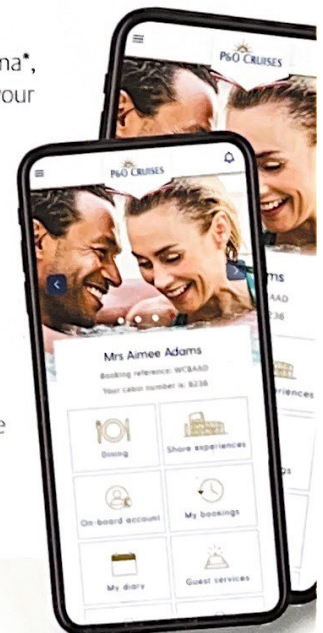

Any entertainment booked before your holiday via My P&O Cruises can also be viewed and managed in 'My bookings' on My Holiday.

Browse and book shore experiences

To help you get to the heart of each destination, we offer a huge range of shore experiences. Working with local experts, we look past the typical tourist trail to find the unique, authentic and unmissable things to do. You can explore and book the variety of shore experiences available via My Holiday.
